Sir,

Subject - Estimate for Rs 5,550/- for laying 6" submain in place of 3" submain in Kumbarakeri.

***

I write to state that the supply of water in Kumbarakeri was very inadequate and the residents of the locality began to complain very often about the supply of water. The Municipal Council at their meeting held on 17-4-48 sanctioned an estimate for Rs 4,550/- for the above work but the work could not be taken up for want of materials. Owing to the increase in the cost of materials the estimate was revised to Rs 5,550/- and the municipal council at their meeting held on 30-9-48 have sanctioned this estimate.

In view of the urgency of the matter, the work was taken up for execution in anticipation of sanction as the materials were ready on hand. I request you therefore kindly to obtain sanction of Government to the revised estimate for Rs 5,550/- and also to the execution through the municipal agency.

A copy of the resolution of the Municipal Council together with the two estimates are herewith enclosed for favour of perce
